

Integrative Health & Healing Services for Breast Cancer Patients

at

Sutter Women's Health Resource & Breast Care Center

Helping women support and enhance their own healing.

Integrative health practitioners, credentialed by the Sutter Medical Center of Santa Rosa as Allied Health Professionals.

Individual sessions now available onsite at the Breast Care Center or through referral to a practitioner's private practice.

Available Services Include:

Guided Imagery

Yoga

Massage

Acupuncture

Acupressure

Feldenkrais

Jin Shin Jyutsu

Psychosocial Support

Creative Arts Therapy

Mindfulness Meditation

Fees vary by practitioner. Services may be available at no cost for breast cancer patients who qualify for our Integrative Health and Healing Services Saturday program.
